CHAPTER _____

An act to repeal Section 26134 of the Water Code, relating to irrigation districts.

LEGISLATIVE COUNSEL'S DIGEST

SB 10, Poochigian. Irrigation districts: assessment sale.

Existing law, the Irrigation District Law, authorizes the sale of property to an irrigation district to recover delinquent assessments, together with penalties and costs, that are owed to that district. The district law provides for the preparation of a certificate of sale in connection with the sale of delinquent property, and authorizes an irrigation district to assign that certificate of sale for a consideration of not less than the amount of the assessment, penalties, and costs.

This bill would repeal the provision authorizing an irrigation district to assign the certificate of sale.

The people of the State of California do enact as follows:

SECTION 1. Section 26134 of the Water Code is repealed.
